The main objective of the St. James Assiniboia Chapter of RTAM is to promote the economic interests of its members and to support the Provincial RTAM Board in its endeavors to that end. The Chapter shares information with its members all across Canada. In turn, members share the information with friends, family, and also colleagues still actively teaching in Manitoba. Membership is **358** and includes retired teachers/administrators/superintendents and a few spouses of deceased members.

The St. James-Assiniboia Chapter of RTAM held its AGM on October 12, 2023 in the lower level of St. Paul the Apostle Church. Thank you to Marj for making these arrangements. We devoured bratwurst barbequed by Fred and Terry, perogies cooked by Lynn, Linda, and Marj, and self-served ice cream sundaes. Our 50/50 draw winner was Audrey Fulham and the wine basket winner was Brent Corrigan.

We thank Provincial RTAM for the Chapter Grant which helped to make our event very successful. It was so nice to get reacquainted in person with former colleagues. We thank Lynn, Alison, Corinne, Marj, Rudy, Will, and Shelley for organizing this event, and Dorothy for getting out the notice to our members.

We are proud of these members of our Chapter who were elected to the RTAM Board for 2023-24: Brent Corrigan and Diane Snider. We are pleased that the following members of our Chapter have served on Committees this year: Alison Logan and Bill Cann.

We congratulate all retirees who have put forward their names for election to the 2024-25 RTAM Board of Directors.

2023-24 has been an interesting year for all of us. Hopefully by the time you read this report things will have settled down in our world.
