ABOUT ME

Gabe Mercier is a former Vice Principal of Dauphin Regional Comprehensive Secondary school. After retiring from the K-12 education system in 2009 he continued with a career with post-secondary education as dean of trades and technology at University College of the North in The Pas. He retired again in 2021, after ten years of being the education director at Assiniboine Community College Parkland Campus in Dauphin.

Gabe Mercier believes in the RTAM's goals of being the umbrella group/organization that advocates for the needs of retired public and private school teachers; provide access to comprehensive and economical travel insurance plans in Manitoba for retired teachers; provide access to competitive extended health and dental insurance plans; and in political advocacy defending members Defined Benefit Pension plan, working conditions for retired teachers substituting, and other Seniors' issues.
