RTAM: A Sustainable Future

by Jayesh Maniar, RTAM Board of Directors

RTAM is facing threats from Ontario and other outside groups looking to merge our membership and their insurance needs into theirs. If we don't act soon and with clear direction, there could be a future where RTAM must close it's doors and will not be able to operate if we don't look at expansion of services to new members and communities.

Please read more and reach out with any questions you may have to our Executive Committee and Board of Directors through Jayesh.
