The BCRTA, ARTA, STS all stand with RTAM, ACER-CART and all our partner organizations as opposed to this threat.

## Education Community Membership

What is it and why is it important?

We are a looking to grow RTAM to help our longevity and we know that we need to see an increase in membership to do so. Please click the link to see commonly asked questions and answers about the new membership type being offered.

We will try and answer the two most important questions on our information page... how will this impact the Retired Teachers control of their organization and what will be the impacts to our insurance plan, which covers more than 50% of RTAM members?
