Student Awards Program

by Jayesh Maniar

RTAM Members can sponsor their child, grandchild, great grandchild, niece, or nephew who is a Grade 12 graduate and entering their first year in a university or a college for a RTAM Student Award. There are four $1,000.00 CDN awards given annually. The application form must be received in the RTAM Office on or before July 31, 2025, by mail drop-off by 4:00 PM or by email by 11:59 PM.

For Application Form, go to https://rtam.mb.ca/en/why-join-rtam/student-awards/

Benefits to RTAM Member

- Develop a closer relationship with the young person being sponsored that will carry a lifetime of memories. These relationships are priceless.
- Allows a member an opportunity to learn about the passions and dreams of their family member.
- With the member's encouragement, the student's life will be enriched.

Benefits to Student

- Develop a closer relationship with the award sponsor and form a bond that will provide a lifetime of memories
- Allows students an opportunity to highlight their experiences and passion, specifically their academic grades, school-related activities, community involvement, leadership roles, and employment.

Student Success Portfolio

The Student Success Portfolio is designed to encourage students to develop a portfolio to collect their artifacts from Grade 9 through Grade 12 which are valuable in applying for the Student Awards and other scholarships, bursaries, and awards.

- A portfolio serves as a physical framework to support the collection of samples of evidence significant to meet the requirements for the RTAM Student Award.
- The development of a portfolio supports students to collectively organize all their achievements, leadership skills, and experiences over their four years in high school.
