

STUDENT SUCCESS PORTFOLIO PROGRAM

PARTICIPANT APPLICATION FORM

The Retired Teachers' Association of Manitoba (RTAM) Student Portfolio Project has been formed to engage communication and mentoring between RTAM members and their young relatives. Retired teachers can play a major role in the lives of their young relatives who are currently in high school by sharing their skills and strengths to guide the students to become successful and caring adults.

RTAM members are encouraged to communicate on a regular basis with their relatives to prompt their collection of appropriate documentation useful in the development of their Portfolio, their RTAM Student Award application as well as other scholarships or bursaries in preparation of attending a post-secondary institution.

Participation criteria:

- 1) Open to an RTAM Member and a young relative in Grade 9, 10, 11 or 12
- 2) Relative interested in preparing applications for scholarships or bursaries
